Data Privacy Fundamentals

Issued by: IBM

Issued to: SAIMAN SAH

Issued on: 25 September 2026

Description: This badge earner understands the relationship between collection and dissemination of data in technology. The individual also understands the public expectation of privacy and the legal and political issues surrounding them.

Beyond the Basics: Istio and IBM Cloud Kubernetes Service

Issued by: IBM

Issued to: SAIMAN SAH

Issued on: 25 September 2026

Description: The badge earner can install Istio in a cluster, deploy a sample app, and set up the Istio Ingress controller. The individual knows how to use metrics, logging and tracing to observe services. The earner is also able to perform simple traffic management such as A/B tests and canary deployments, secure a service mesh, and enforce policies for microservices.

Building AI-Powered Search with MongoDB Vector Search

Issued by: MongoDB

Issued to: SAIMAN SAH

Issued on: 28 September 2026

Description: This digital credential validates your knowledge in creating intelligent, AI-powered search experiences for applications using MongoDB Atlas Vector Search. It recognizes your understanding of indexing, embeddings, and retrieval strategies.
